Case No. PU-14-105

NOTICE OF HEARING

On November 12, 2021, Sunflower Wind Project, LLC (Sunflower Wind) filed with the Commission a request for an extension of time to equip the Sunflower Wind Energy Project energy conversion facility with a functioning light-mitigating technology system. Sunflower Wind requests an extension of the statutory deadline from December 31, 2021, to June 30, 2022.

The issue to be considered in this proceeding is whether an extension of time should be granted based on technical or economic feasibility considerations.
